Subject: Update from Worthing College on exam results and entry for the October / November exam series

Dear students, parents and carers

We are writing to provide a range of further updates about exam results this summer.

Autumn exam series

Exam boards are providing an opportunity for students who want to improve their A Level or GCSE grade to sit exams in the Autumn Term. Please click here for the [Ofqual student guide to post-16 qualifications results - Summer 2020](#) which includes a section giving more information about these exams. There is no charge for entering these exams. If you choose to sit these exams and achieve a different grade from the final grade you have achieved this summer you will be able to use the higher of the 2 grades.

- **A Level exam series, 5-23 October 2020**

If you wish to enter for one or more of your A Level courses please email allexams@worthing.ac.uk by 2pm Weds 2nd Sep 2020 giving your name and the A Level(s) you want to sit.

- **GCSE exam series, 2-9 November 2020**

If you wish to enter for one or more of your GCSE courses please email allexams@worthing.ac.uk by 2pm Friday 18th Sep 2020 giving your name and the GCSE(s) you want to sit.

If you would like to talk to us about retaking an entire year at Worthing College please contact allstudentservices@worthing.ac.uk.

Cam Tech results

We will publish final grades for Cam Tech qualifications on the *My Data* site on Thursday 27 August by 9am. The exam board OCR have not provided Centre Assessed Grades so we cannot populate that column of *My Data*. However, students can be reassured that the final grade is the highest of either the calculated or the Centre Assessed Grade, based on the centre assessed unit grades which we sent to OCR.

BTEC results

We will release BTEC Level 3 final grades on the *My Data* site by 9am on Thursday 27 August. Again, students can be reassured that the final grade will be the highest of either the calculated or the Centre Assessed Grade. Pearson Edexcel have informed us that they will provide more information about the release of BTEC Level 2 results later in the week. If you are planning to progress from level 2 to level 3 at Worthing college please be reassured that we have all the information we need to make this decision.

GCSE results

We have published further information about [GCSE exam results and appeals here](#).

The Ofqual student guidance regarding exam results can be found [here](#). Their guidance regarding appeals, malpractice and maladministration can be found [here](#).

We hope you have found the information in this latest update useful. If you have any further concerns about exam results please email allexams@worthing.ac.uk in the first instance.

Kind regards

Ross
