

# MEET THE ESOL TEAM

## Tori Bond - Teacher of ESOL

My name is Tori Bond and I have been teaching ESOL at Worthing College for 14 years. I have been teaching English for about 27 years. I have taught many nationalities over the years and I have enjoyed learning about different cultures. I have done a lot of travelling and had lots of experience teaching ESOL and enjoy seeing students develop their English. I look forward to meeting you.
